Remarks:

- (1) Tung Wah College will adjust the tuition fee of its programmes based on the Composite Consumer Price Index to be announced by the Government annually.
- (2) Tuition fees are normally charged by two instalments per annum and are payable before the commencement of each semester. New students are required to settle the balance of the tuition fee for the first semester (i.e. after deducting deposit) upon programme registration in August.
- (3) Students are required to pay additional fees for all retake/additional courses which would be charged at the rate of the normal cohort and be calculated by the number of credits to be taken. Please refer to the College's Fees Regulation at https://www.twc.edu.hk/en/Administration_Units/fo/our_service/student-area for details.
- (4) Local students are eligible for subsidies under the Study Subsidy Scheme for Designated Professions / Sectors (SSSDP) or the Non-means-tested Subsidy Scheme for Self-financing Undergraduate Studies in Hong Kong (NMTSS). For details of SSSDP, please visit <https://www.cspe.edu.hk/en/sssdp/sssdp.html>. For details of NMTSS, please visit <https://www.cspe.edu.hk/en/nmt/>. Students' eligibility for the SSSDP, the NMTSS and the annual subsidy amount allocated in an academic year is subject to the Education Bureau's final approval.
- (5) All fees paid are non-refundable and non-transferable.
- (6) Each trainee will obtain full reimbursement of the tuition fees for the first normative 2-year study period of the Programme on the condition that the trainee has successfully completed the Programme and qualified to be registered as an Enrolled Nurse.
