# Medical Imaging

醫療影像學(榮譽)理學士

This programme aims to provide quality academic and clinical education to the professional practice of medical imaging. Apart from the General Education and Language courses, students need to take discipline courses such as Human Anatomy, Imaging Anatomy, Patient Care, Imaging Informatics, Medical Imaging Studies, CT, MRI and Ultrasound. Students are required to complete not less than 1,300 hours of clinical practicum in public and private hospitals as part of the Radiographers Board registration requirement.

## Programme Objectives

- To train students to become radiography practitioners with professional knowledge, skills, sense of responsibility, compassionate patient care, communication abilities and evidence-based clinical practice;
- To develop students' critical thinking and problem-solving skills; and
- To prepare students with reflective and reflexive practices, and aspiring to lifelong learning.

## Professional Recognition

- The College is applying for professional recognition from the Radiographers Board, with the expectation that the approval process will be finalised before the first cohort of students graduates. By obtaining professional recognition, graduates are eligible to register as Radiographer (Diagnostic) “放射技師(診斷類)” (Part II).

## Career Prospects and Further Studies

- Graduates can practise as Diagnostic Radiographer in Hospital Authority's hospitals, private hospitals or medical imaging centres in Hong Kong.
- Graduates can further study in local and overseas master's programmes in Medical Imaging and Radiation Sciences, Medical Physics and Healthcare Management.
- The Hong Kong's professional qualification is recognised by a number of countries such as UK, Canada, Singapore and Australia.

## Programme-Specific Requirements

- Preference will be given to applicants who have obtained Level 3 or above in Combined Science\* or Physics or Chemistry or Biology in HKDSE.
- Preference will be given to applicants who have obtained Level 4 or above in English Language in HKDSE.
- Preference for interview invitation will be given to selected candidates who place the programme as their Band A choices in JUPAS.

## Student Sharing

### Kam Sze Man Zoe

Current student of the Bachelor of Science (Honours) in Medical Imaging (Year 2)

I am very grateful for the opportunity to study in this programme, which I am passionate about. It is fascinating to visualise the human body using advanced imaging technologies without making any incisions. During my studies, I have grown not only academically but also personally. With the support of my teachers and peers, I have become more patient, empathetic, and confident. One highlight is serving as a committee member of the Radiography Students' Society. I am proud of the successful activities, which brought peers together and fostered a stronger sense of unity. Additionally, the study tour to Singapore broadened my understanding of international developments in radiography. Thank you for these opportunities I have been given. I look forward to what lies ahead and am ready to continue growing on this journey.

- Tung Wah College will adjust the tuition fee of its programmes based on the Composite Consumer Price Index to be announced by the Government annually.
- Tuition fees are normally charged by two instalments per annum and are payable before the commencement of each semester. New students are required to settle the balance of the tuition fee for the first semester (i.e. after deducting deposit) upon programme registration in August.
- Students are required to pay additional fees for all retake/additional courses which would be charged at the rate of the normal cohort and be calculated by the number of credits to be taken. Please refer to the College's Fees Regulation at [https://www.twc.edu.hk/en/Administration\\_Units/fo/our\\_service/student-area](https://www.twc.edu.hk/en/Administration_Units/fo/our_service/student-area) for details.

- The tuition fee for the programme under the Study Subsidy Scheme for Designated Professions/Sectors (SSSDP) is the net fee paid by a student after deduction of subsidy from the Government. For annual subsidy amounts, please refer to <https://www.cspe.edu.hk/en/sssdp/>.
- All fees paid are non-refundable and non-transferable.

### Notes

- (1) Some programmes may stipulate additional requirements for admission. For more information on the programme-specific admissions requirements, please refer to the individual programme webpages.
- (2) For non-Chinese-speaking learners, alternative Chinese Language qualifications will be accepted for students who have met the specified conditions: (a) students who have learned Chinese Language for less than 6 years while receiving primary and secondary education; (b) students who have learned Chinese Language for 6 years or more in schools, but have been taught an adapted and simpler Chinese Language curriculum not normally applicable to the majority of students in local schools. ApL Chinese (for non-Chinese speaking students) should, in general, be accepted as an alternative Chinese Language qualification, among other acceptable alternative Chinese Language qualifications.
- (3) The Applied Learning (ApL) subjects do not include ApL Chinese (for non-Chinese speaking students) as this subject is introduced to provide an additional channel exclusively for non-Chinese speaking students to obtain an alternative Chinese language qualification. For the 2012-2017 HKDSE Examinations, students attaining the results of "Attained" and "Attained with Distinction" in the ApL subjects are accepted as attaining the competencies required at Level 2 and Level 3 or above of Category A subjects of the HKDSE Examination respectively for the purposes of further studies and work. Effective from the 2018 HKDSE Examination, the reporting of students' performance is refined to "Attained", "Attained with Distinction (I)" and "Attained with Distinction (II)". Performance of "Attained with Distinction (I)" is comparable to Level 3 while "Attained with Distinction (II)" is comparable to Level 4 or above of Category A subjects of the HKDSE Examination.
- (4) Please refer to the College's website for examples of equivalent non-local qualifications for admission to higher diploma or bachelor's degree programmes.
