Bachelor of Science
(Honours) in

Physiotherapy

物理治療學(榮譽)理學士

This programme aims to prepare students to become professional physiotherapists that meet the requirements of the local registration board and international entry-level physiotherapy education standards.

Programme Objectives

- To nurture students to become professional physiotherapists with a caring attitude and strong interpersonal communication skills;
- To develop students' commitment for lifelong learning and ability to serve the healthcare needs in the community;
- To provide students with a diverse range of learning experiences, including small group teaching and discussion with teachers, community service and realistic clinical practice opportunities. The programme includes over 1,000 hours of clinical placements in different settings such as hospital in-patient and out-patient departments, as well as community-based rehabilitation centres and clinics; and
- To enhance students' all-round development as a mature healthcare professional with problem-solving and leadership skills, as well as a global perspective.

Professional Recognition

- The programme is accredited by the Physiotherapists Board of the Allied Health Professions Council (AHPC). Graduates are eligible to apply for registration as Registered Physiotherapists “註冊物理治療師” for practice in Hong Kong.

Career Prospects and Further Studies

- Graduates can work in the Hospital Authority, subvented non-governmental organisations (e.g. rehabilitation services, elderly services, community centres, sheltered workshops and special childcare centres), the Education Bureau (special schools, early childhood education and training centres), and private organisations (e.g. private hospitals, private clinics, nursing homes and homes for the elderly).
- For further studies, graduates can articulate to higher degrees in research such as Master of Philosophy (MPhil)/ Doctor of Philosophy (PhD), or enroll in taught master's degree programmes in Physiotherapy locally and overseas.

Graduate of Bachelor of Science (Honours) in Physiotherapy (2022)
Now a Physiotherapist II at Alice Ho Miu Ling Nethersole Hospital

“Hard work today is the preparation for patients in the future”. This is my motto which is inspired by my teachers at Tung Wah College. Apart from the knowledge and practical skills learned from the classroom and clinical practicum, we are taught to be passionate and caring physiotherapists. I would like to express my gratitude to my teachers for their guidance and encouragement throughout these four years, leading me towards a pathway to be a good physiotherapist. I promise myself that graduation does not put an end but kicks off a new chapter of my learning.

- Tung Wah College will adjust the tuition fee of its programmes based on the Composite Consumer Price Index to be announced by the Government annually.
- Tuition fees are normally charged by two instalments per annum and are payable before the commencement of each semester. New students are required to settle the balance of the tuition fee for the first semester (i.e. after deducting deposit) upon programme registration in August.
- Students are required to pay additional fees for all retake/additional courses which would be charged at the rate of the normal cohort and be calculated by the number of credits to be taken. Please refer to the College's Fees Regulation at https://www.twc.edu.hk/en/Administration_Units/fo/our_service/student-area for details.
- The tuition fee for the programme under the Study Subsidy Scheme for Designated Professions/Sectors (SSSDP) is the net fee paid by a student after deduction of subsidy from the Government. For annual subsidy amounts, please refer to <https://www.cspe.edu.hk/en/sssdp/>.
- All fees paid are non-refundable and non-transferable.

Notes

- (1) Some programmes may stipulate additional requirements for admission. For more information on the programme-specific admissions requirements, please refer to the individual programme webpages.
- (2) For non-Chinese-speaking learners, alternative Chinese Language qualifications will be accepted for students who have met the specified conditions: (a) students who have learned Chinese Language for less than 6 years while receiving primary and secondary education; (b) students who have learned Chinese Language for 6 years or more in schools, but have been taught an adapted and simpler Chinese Language curriculum not normally applicable to the majority of students in local schools. ApL Chinese (for non-Chinese speaking students) should, in general, be accepted as an alternative Chinese Language qualification, among other acceptable alternative Chinese Language qualifications.
- (3) The Applied Learning (ApL) subjects do not include ApL Chinese (for non-Chinese speaking students) as this subject is introduced to provide an additional channel exclusively for non-Chinese speaking students to obtain an alternative Chinese language qualification. For the 2012-2017 HKDSE Examinations, students attaining the results of “Attained” and “Attained with Distinction” in the ApL subjects are accepted as attaining the competencies required at Level 2 and Level 3 or above of Category A subjects of the HKDSE Examination respectively for the purposes of further studies and work. Effective from the 2018 HKDSE Examination, the reporting of students' performance is refined to “Attained”, “Attained with Distinction (I)” and “Attained with Distinction (II)”. Performance of “Attained with Distinction (I)” is comparable to Level 3 while “Attained with Distinction (II)” is comparable to Level 4 or above of Category A subjects of the HKDSE Examination.
- (4) Please refer to the College's website for examples of equivalent non-local qualifications for admission to higher diploma or bachelor's degree programmes.
