自2010年創校以來，東華學院秉承東華三院「救病拯危、安老復康、興學育才、扶幼導青」四大使命，肩負培育專業人才、傳承關懷精神的重任。欣逢東華學院成立十五周年校慶之際，我十分榮幸能以東華三院主席暨東華學院校董會主席的身份，與各位一同見證學院這個重要的里程碑。

東華三院世紀善業，源於回應當時社會對醫療的需求。隨著時代變遷，我們因時制宜、不斷拓展服務，至今涵蓋醫療、教育和社會服務等多個範疇，惠澤四方。東華學院承先啟後，在醫療護理專上教育奠定穩固基礎，發展步伐與東華三院一脈相承。我們積極回應社會對各類人才的殷切需求，課程發展與時並進、日趨多元，從幼兒教育到老年學，橫跨人生整個歷程；由醫療服務到可持續發展，我們關注的不僅是個人健康，更延伸至社會整體福祉。學生人數多年來屢創新高，畢業生遍布各界，盡展所長，造福人群。這正是東華學院矢志育才、服務社會的最佳見證。

十五年來，學院穩步發展，始終活力洋溢、熱誠不減，我們亦已蓄勢待發，為邁向升格私立大學及應用科學大學奠下堅實基礎。在傳授專業知識以外，我們更注重培養學生的社會責任及關顧之心。我們將擔當更加重要的角色，致力在研究及創新方

Since its establishment in 2010, Tung Wah College (TWC) has upheld the four core missions of the Tung Wah Group of Hospitals (TWGHs), "To heal the sick and to relieve the distressed; to care for the elderly and to rehabilitate the disabled; to promote education and to nurture the youngsters; and to raise the infant and to guide the youth", shouldering the responsibility of nurturing professional talents and inheriting a spirit of compassionate care. As we celebrate the 15th anniversary of TWC, I am deeply honoured to witness this significant milestone in my capacity as the Chairman of the TWGHs and the Board of Governors of TWC.

The century-long benevolent work of the TWGHs originated in response to the societal needs for healthcare. Evolving with the times, we have adapted and expanded our services to encompass various fields including medical and healthcare, education, and social services, benefiting all corners of society. TWC, building on the past and paving the way for the future, has laid a solid foundation in healthcare and nursing tertiary education, continuing the legacy of the TWGHs. We actively respond to the pressing demand in society for diverse talents, developing our programmes in tandem with the times, increasingly diverse, and spanning the entire spectrum of human life from early childhood education to gerontology. From healthcare services to sustainable development, our focus extends beyond individual health to the overall well-being of society. Over the years, our student population has reached new highs, and our graduates have served across various fields, showcasing their talents to benefit the community. This is a testament to TWC's commitment to nurturing talents and serving society.

In the past fifteen years, the College has grown steadily, maintaining its vibrancy and enthusiasm. We are poised to become a private

面發揮正面影響力，提升整個社會的福祉，支持香港成為國際教育樞紐。一如東華三院155周年的主題「行善無界限」，東華學院師生一直積極應對當前社會挑戰，開辦多個全港首創自資專上課程，更致力將研究成果轉化為實際應用，以主動進取的態度應對社會問題，彰顯無界限地服務社群的精神。

學院在短短十五年間蓬勃發展，碩果纍纍，實在令我引以為傲。在此，我衷心感謝過去參與學院發展的所有持份者。憑藉東華三院歷屆董事局成員、歷任校董會、校務委員會和校長的高瞻遠矚、教研團隊的專注耕耘、校友及學生的積極參與，以及香港特區政府、善長與社會各界的鼎力支持，我深信東華學院必定能繼往開來，秉持我們的願景、使命與核心價值，繼續騰飛發展，再創高峰！

university and a University of Applied Sciences with our strong foundation. Besides imparting professional knowledge, we emphasise cultivating our students' social responsibility and compassion. We will play an even more crucial role, striving to have a positive impact through research and innovation, enhancing societal well-being and supporting Hong Kong as an international education hub. In line with the theme of the TWGHs' 155th anniversary, "Kindness makes a difference", our faculty and students have been actively addressing current social challenges. We have launched several Hong Kong's first self-financing tertiary programmes and initiated translational researches, taking a proactive approach to tackle societal issues and exemplifying the spirit of serving the community without boundaries.

The College has flourished in just fifteen years, achieving fruitful achievements, which truly make me proud. I sincerely thank all stakeholders who have contributed to the development of the College. With the foresight of past members of the TWGHs Board of Directors, former members of the Board of Governors and College Council, and past Presidents, the dedicated efforts of the teaching and research team, the active participation of alumni and students, and the strong support from the HKSAR Government, donors, and various sectors of society, I firmly believe that TWC will continue to move forward. By upholding our vision, mission, and core values, TWC will continue to reach new heights, develop further, and achieve greater milestones.

東華學院（學院）十五周年校慶標誌著學院發展的重要里程碑，我們一直追求卓越教學宗旨，以實現提升香港高等教育的承諾。值此周年誌慶之際，我們見證學院在教育領域的成就，亦奠定了學院作為應用科學教育先導者的地位。

近年來，我們的課程不僅持續擴展，更在自資教育界樹立新指標，獲得多個專業機構的廣泛認可。我們是全港首間自資專上院校，提供五個專業認可的專職醫療及護理課程。於2024年開辦的自資醫療影像學（榮譽）理學士課程，除了獲得香港學術及職業資歷評審局正式認證外，更是本港首個針對性地按照香港輔助醫療業管理局放射技師管理委員會規定的學術專業要求設計的自資課程，以培育專業人才。

學院在課程發展的基礎上，我們始終堅守著東華學院的使命，透過加強與醫療界及其他專業界別緊密合作，開設獲專業認證的課程，推動應用科學教育的堅實發展。此外，學院更透過校企合作，促使我們繼續與不同界別夥伴建立策略性合作關係，提升應用學習與研究能力，深化課程內容以回應社會需求，並助力學生成為具備專業才能、為社會貢獻所長的菁英。

The 15th Anniversary of Tung Wah College (TWC) represents a significant milestone in our pursuit of excellence in professional education and our commitment to uplifting Hong Kong's tertiary education landscape. As we commemorate this occasion, we celebrate the achievements that have established TWC as a pioneer in applied sciences education in Hong Kong.

In recent years, our programme offerings have not only expanded but have also set new benchmarks in self-financing education, earning widespread recognition from various professional bodies. We are the first self-financing tertiary institution in Hong Kong to offer five professionally accredited allied health and nursing programmes. First launched in 2024, our self-financing Bachelor of Science (Honours) in Medical Imaging programme was already accredited by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ), and was the first self-financing programme in Hong Kong developed in accordance with the requirements of the Radiographers Board of the Supplementary Medical Professions Council in Hong Kong.

Building on these unceasing advancements, we remain committed to fulfilling TWC's mission. By enhancing industry-aligned and professionally accredited programmes with the healthcare and other professional sectors, we promote the robust development of applied sciences education. Collaboration between academics and industry leads to fostering strategic partnerships that enhance applied learning and research capabilities, reinforcing its relevance to Hong Kong's societal needs, and empowering students to graduate as skilled professionals ready to contribute meaningfully to society.

在此，我們要向東華學院大家庭每一位成員，包括校董會及校務委員會成員、管理團隊、教職員、學生、校友、合作夥伴及學院摯友，表達最誠摯的感謝。我們亦衷心感謝香港特區政府及善長一直以來對學院的支持及捐贈。各位的付出與貢獻，為學院這段成長旅程中提供不可或缺的力量，也讓我們邁步向前，成為香港下一所傑出的私立大學及應用科學大學。我們期待在未來的日子中，繼續與你同行，共同迎接更多豐碩的周年慶典。

學院透過開辦備受專業認可及政府支持的多元化課程，不斷提升學術水平，力求卓越，同時專注於研究創新、多元共融及社區參與等方面。我們的教研團隊屢獲國際認可，將具影響力的研究轉化為實際應用，惠及社群。學院亦積極與本地及海外的業界夥伴、學術機構緊密合作，推動跨學科協作，造福香港，同時為國家發展作出貢獻。

在慶祝十五周年之際，正好讓我們回顧過去發展所取得的成就，並展望滿載機遇的光明未來。隨著我們邁向實現成為優質私立大學及應用科學大學的目標，我們將在推動香港成為國際教育樞紐擔當更重要的角色，並致力提升本地及國際的教育及醫療水平。我們將繼續秉持學術及研究卓越、專業領導及關懷大眾的精神，砥礪前行，再創高峰。

As we mark Tung Wah College's 15th Anniversary, I am proud of the significant progress we have made. Our achievements over the past five years have advanced the College to a new stage of development.

Since taking on this leadership role as the College's third President from January 2021, I have worked with the team to advance the College's mission with the support of Tung Wah Group of Hospitals (TWGHs) and our community. Together, we have turned challenges into opportunities, strengthened our position in vocational and professional education and training, and reached significant milestones towards becoming a private university and a University of Applied Sciences (UAS).

We have enhanced academic excellence through programme diversification, accreditation, and government support, while centring our efforts on research innovation, inclusivity, and community engagement. Our committed research and teaching team is internationally recognised, extending impactful translational research to broader communities. Strong partnerships with industry leaders and educational institutions locally and abroad have enabled influential interdisciplinary collaborations that benefit both our city and country.

As we celebrate our 15th Anniversary, we not only reflect on our past achievements but also anticipate the many opportunities that lie ahead. Approaching our goal of becoming a quality private university and a UAS, we are committed to strengthening our role in establishing Hong Kong as an international education hub and advancing education and healthcare both locally and internationally. We will continue to uphold the values of academic and research excellence, professional leadership, and compassionate service that define our College and motivate us to pursue new levels of accomplishment.

衷心感謝東華三院董事局十五年前的遠見卓識，創立東華學院。多年來，東華三院堅定不移的支持及悉心指導，令學院得以茁壯成長、根深葉茂、蓬勃發展，為香港教育及社會進步帶來積極影響。東華三院長久以來的扶持同行，激勵學院革新向前、與時並進，我們心存感恩。

我們亦由衷感謝香港特區政府多年來的信任與支持。政府具前瞻性的政策，以及對學院持續的鼓勵，為學院發展注入強大動力，推動我們不斷追求卓越、勇於創新、迎接挑戰。

在此，我們亦謹向歷屆及現任校董會、校務委員會成員，以及全體職員、學生、校友、合作夥伴以及善長致以謝忱。十五年來，大家同心同德、群策群力，為學院發展貢獻良多，實在功不可沒。今日學院的非凡成就，正是凝聚了大家共同努力的心血。

學院發展即將再啟新程，誠盼各位一如以往，繼續支持學院，與我們攜手並進，共同推動學院實現教育創新、知識創造及關懷社會的使命，開創更光輝的未來。

傳承與足印 Our Passion and Footprint

創建於1870年的東華三院，在過去155年一直為香港社會提供優質的中、小學教育服務，是本港主要的辦學團體。東華三院於2005年，與香港中文大學合作，成立「香港中文大學 — 東華三院社區書院」(中東書院)，首次將其教育服務範圍擴展至專上教育。「中東書院」於《教育條例》(第279章)下註冊成立，並開辦各項優質副學士學位課程，為中學畢業生提供升學和就業的晉階途徑。

東華三院於2010年再邁進一步，以自資方式，成立一所高等教育學府—「東華學院」，並於同年成功通過「香港學術及職業資歷評審局」一連串嚴格的學院評審。學院於2011年根據《專上學院條例》(第320章)正式註冊成為一所擁有頒授學士學位資格的專上學院。學院積極發展多元化及具靈活性的課程，以滿足社會對教育及人才的需求。

Founded in 1870, the Tung Wah Group of Hospitals (TWGHs) has been providing education services to fulfil the needs of Hong Kong society for 155 years. Being a major provider of primary and secondary education, TWGHs took the pioneer step and collaborated with The Chinese University of Hong Kong (CUHK) in 2005 to establish "The Chinese University of Hong Kong - Tung Wah Group of Hospitals Community College" (CUTW), providing post-secondary education for the first time. Registered under the Education Ordinance (Cap. 279), CUTW offered a wide range of quality associate degree programmes, providing secondary school graduates with an effective pathway leading to further education as well as career development.

TWGHs took a further step and established a self-financing tertiary education institution, Tung Wah College (TWC) in 2010. The College went through the rigorous college-wide accreditation and passed the Institutional Review (IR) by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ) in the same year. TWC registered under the Post Secondary Colleges Ordinance (Cap. 320) as an approved self-financing bachelor's degree-granting institution in 2011. The College's programmes have been diversified, providing greater flexibility and accessibility for secondary school graduates, to meet both our students' educational needs and society's needs for talents.
