Tung Wah College (TWC) is a self-financing degree-granting tertiary institution incorporated in 2010 by the Tung Wah Group of Hospitals (TWGHs). Our mission is to provide high quality programmes focusing on practical application to nurture socially responsible and caring talents to meet the community needs. TWC is an approved post-secondary college registered under the Post Secondary Colleges Ordinance (Cap 320). All TWC's programmes are accredited by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ). Currently, the College offers 19 degree, sub-degree, diploma, and certificate programmes in both healthcare and non-health related disciplines and has a student population of over 5,000. The College is one of the associate members of the Alliance of Universities of Applied Sciences (UAS) and will pursue the UAS status and become a private university in parallel with our strengths in healthcare disciplines by 2026.

**“** ***WE** pledge to offer an education that inspires future leaders who contribute to our community and help maintain Hong Kong's advantageous role in the globalised world, research that transforms our understanding of current issues and improves the well-being of our community, as well as a distinct role among Hong Kong universities that contributes to the overall standard of Hong Kong tertiary education and building Hong Kong as an international education hub.* **”**

Professor Sally Chan, President
